Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clinton-Sampson Airport Infrastructure, Safety, and Capacity Enhancement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Clinton located at 221 Lisbon Street, Clinton, NC 28328. The funding would be used for the development of a six-unit box T-Hangar facility and site improvements at the Clinton-Sampson County Airport. The project is an appropriate use of taxpayer funds because the demand for hangar space at the airport already exceeds the supply. This has resulted in the airport turning away opportunities that could benefit the local economy.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink that reads "Gregory F. Murphy".
