Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Goldsboro Public Safety Schematic Design Plan in Fiscal Year 2027. The entity to receive funding for this project is the City of Goldsboro, located at 200 N. Center, Goldsboro, NC 27530. The funding would be used for the schematic design plan in order to construct a new Public Safety building that would house both the Goldsboro Fire and Police Departments. The project is an appropriate use of taxpayer funds because the City's current public safety facility has reached the end of its functional lifespan and a new facility is needed in order to provide adequate services to the City.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink that reads "Gregory F. Murphy".
