Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Joint Bus Maintenance and Workforce Training Facility in Fiscal Year 2027. The entity to receive funding for this project is Lenoir County, North Carolina, located at 101 N Queen Street, Kinston, NC 28501. The funding would be used for the construction of a Joint Bus Maintenance and Workforce Training Facility. The project is an appropriate use of taxpayer funds because this project will serve as a work-force training center, providing hands on training for fleet maintenance and transportation related technical fields for high school students, college students and adult learners pursuing careers in vehicle maintenance and related technical fields. Additionally, the facility will support efficient and reliable transportation services for the local public school system and the broader community.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Gregory F. Murphy".
