Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the construction of the Lenoir County EMS Station in Fiscal Year 2027. The entity to receive funding for this project is Lenoir County, located at 101 N Queen Street, Kinston, NC 28501. The funding would be used for the construction of a new EMS station. The project is an appropriate use of taxpayer funds because the current EMS facility suffers from major structural deficiencies, including a failing foundation, as well as significant electrical, mechanical, and building code deficiencies

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Gregory F. Murphy".
