Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sampson County Test and Production Wells in Fiscal Year 2027. The entity to receive funding for this project is Sampson County, located at 406 County Complex Rd, Bldg C, Clinton, NC 28328. The funding would be used for the development of two new wells in order to provide residents in the County with safe and reliable drinking water. The project is an appropriate use of taxpayer funds because the existing source of groundwater has been tested for PFAS and this funding will support two new wells located in areas with lower PFAS contamination risk.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink that reads "Gregory F. Murphy".
