Chairman , Oversight & Investigations Subcommittee
United States House of Representatives
2125 Rayburn House office Building
Washington, D.C. 20515**

Dear Congress Murphy:

On Behalf of NAMI in Indian River County, we write to express our support of H.R. #2646, the "Helping Families in Mental Health Crisis Act" and urge Congress to pass this bill. Not only does this legislation include critical provisions to improve care for people with serious mental illnesses, it helps the families provide better care and protection for their loved ones. The families need to have more input into the care of their loved ones.

We are grateful to you for caring about people with serious mental illnesses and supporting their families. Thank you for your exceptional leadership.

Sincerely,

Leslie J. Hill
