Congressman Tim Murphy
2332 Rayburn House Office Bldg.
Washington, DC 20515

Dear Congressman Murphy:

NAMI Kentucky sincerely appreciates you sponsoring HB 3717 - "Helping Families in Mental Health Act Crisis Act of 2013."

NAMI Kentucky feels the enactment of this bill would represent a significant legislative accomplishment on mental health and would allow individuals and families members to get the help and supports they need.

Opportunities like this to advance meaningful legislation on serious mental illness in Congress do not occur frequently. Therefore, we encourage all parties to work together to move this legislation forward.

Again, thank you for your persistence in getting HB 3717 passed.

Sincerely,

A handwritten signature in cursive script that reads "Cathy Epperson".
